***CR 571 Phase 2 Addendum #1***

This Addendum is issued for the purpose of modifying and/or clarifying the original drawings and specifications and shall take precedence over them.

All work included herein shall be in accordance with the original drawings and specifications except as specifically noted herein. All incidental items required to provide the following modifications shall be included even though not specifically described.

It shall be the responsibility of the contractors to notify their subcontractors and/or suppliers of the clarifications, modifications, and/or revisions included herein.

Receipt of this Addendum shall be noted on the Itemized Bid Sheet.

The following project clarifications are provided based on questions received:

1. The Special Provision for Post, Mailbox, Modified has been added to the project specifications.

**a. Description.** This work shall be done in accordance with the requirements of Section 807 of the 2020 Standard Specifications except as herein specified.

**b. Materials.** Provide materials in accordance with Section 807 of the 2020 Standard Specifications.

**c. Construction.** Move existing mailbox supports, mailboxes, and newspaper receptacles, but maintain serviceability during construction. Install a new post at the permanent location after construction is complete. Attach the existing mailbox and newspaper receptacle to the new post. If a newspaper receptacle is on its own post then it shall be reinstalled at the permanent location on the existing post.

**d. Measurement and Payment.** Measurement and payment shall be at the contract unit price of Each. If an existing mailbox post has a newspaper receptacle attached to it, additional payment will not be given for reattaching the existing newspaper receptacle to the new post or replacement on its own post.
