***Underhill Road Construction
Addendum #3***

This Addendum is issued for the purpose of modifying and/or clarifying the original drawings and specifications and shall take precedence over them.

All work included herein shall be in accordance with the original drawings and specifications except as specifically noted herein. All incidental items required to provide the following modifications shall be included even though not specifically described.

It shall be the responsibility of the contractors to notify their subcontractors and/or suppliers of the clarifications, modifications, and/or revisions included herein.

Receipt of this Addendum shall be noted on the Itemized Bid Sheet.

The following project modifications are provided for this project:

1. The Road Commission is currently in discussions with EGLE to extend the date to allow in-stream work into Mid-October. The Contractor shall complete all demolition work prior to bridge delivery. EGLE will allow in-stream work limited to driving pile and placing the riprap header after October 1st. Additional information will be provided as discussions continue.
2. The HMA Mix type is being revised to HMA,4EL. A revised Bid Tab is being provided.
3. Tree removal will be limited to only that required for installation of the proposed structures. The cost of clearing will be included in payment for Structures, Rem.
