***Emerick Park Improvements Project
Addendum #1***

This Addendum is issued for the purpose of modifying and/or clarifying the original drawings and specifications and shall take precedence over them.

All work included herein shall be in accordance with the original drawings and specifications except as specifically noted herein. All incidental items required to provide the following modifications shall be included even though not specifically described.

It shall be the responsibility of the contractors to notify their subcontractors and/or suppliers of the clarifications, modifications, and/or revisions included herein.

Receipt of this Addendum shall be noted on the Itemized Bid Sheet.

The following project clarifications are provided based on questions received:

1. The playground equipment and installation will be provided by the Contractor as a part of their bid.

Proposed equipment must be similar in nature to the provided plan view, but there are no restrictions to allowable suppliers. All playground suppliers must submit designs meeting or exceeding contract requirements prior to June 14, 2024 for approval by the Village.

Approved designs and suppliers will be posted on June 19th.

The following elements must be included in the proposed playground equipment:

- Three ADA accessible picnic tables
- Four sway benches
- One single large play structure
- One platform spin equipment
- One see saw
- 12" Border
- Engineered Wood Fiber Surfacing Compacted to a 12" depth

The playground equipment must provide ADA accessible elements and utilize recycled materials.

The provided cost for playground equipment will include supply and delivery of the proposed equipment, as well as installation at the site.
